DANIAL ALI

PROFESSIONAL PROFILE

Hey there! I'm Danial, a web developer and frontend enthusiast. I love creating elegant user experiences using HTML, CSS, and JavaScript.

WORK EXPERIENCE

Freelancer

April 2021 - 2033

I'm an accomplished academic writer and a skilled programmer experienced in C++, Java, Web Development and Python. My journey includes tackling challenging projects that demonstrate my expertise in creating elegant code solutions. I've also excelled in web development, delivering diverse freelance projects. My blend of writing and technical skills enables me to produce insightful content and captivating web experiences. I'm committed to excellence in all I do, whether it's intricate coding or crafting engaging websites.

EDUCATION

Bachelor of Computer Science

BSCS/ UET Taxila

HSSC Pre-Engineering

F.G. Liaqat Ali Degree College Peshawar Road, Rawalpindi
